Subject: Briefing for Peter on state/fed coordination on Shoreline issues

Hi Dan and Michael,

I put this one-pager together for Peter last week. It summarizes what I know or presume from conversations with state partners and a summary of what is in our joint HTL recommendation regarding "actions to further shoreline protection above Corps' jurisdiction". Peter asked that I forward it to you for our discussion tomorrow morning. I will be calling in. Michael, is there a number to call?

Many thanks,

Susan Meyer
